

Geist products must be formally quoted and forecasted to exceed \$15,000 in sales per year, per project to be eligible for **Project Registration**. Distributor must agree to specify only Geist products within a Geist provided product category.

One Distributor Registration will be approved per project and is part number specific.

Project Registration incentives will be adjusted at the time of the initial distributor quotation.

Forecasted Yearly Sales above \$15,000 – 10% Incentive Deduction** (some Geist products may not allow for a 10% deduction while other products may qualify for up to a 20% discount. Geist reserves the right to review and communicate the appropriate discount level in these situations)

A project registration will be valid for two years provided a minimum sales volume of \$15,000 is met by within the first year.

This Project Registration Form must be completed in its entirety and be faxed or emailed to the Geist Corporate office to the attention of **Ashley Walton** (Fax: 402-474-4369 / Email: awalton@geistglobal.com).

The Distributor will be notified via fax as to acceptance of the project registration.
